The Journal of World's Poultry Research

Scienceline Publication

Journal of World's Poultry Research
The publication of the *Journal of World's Poultry Research* (JWPR) is coordinated by the Publishing Committee of Scienceline Publication as concessionaire. The *Journal of World's Poultry Research* started from 2011 and the journal’s main objective is to publish original researches, short communications as well as review articles on all aspects of poultry production and poultry science. Authors (including but not limited to researchers, extension workers, technicians and poultry science specialists) wishing to submit their work, should contact the journal’s administrator (Email: editor [at] jwpr.science-line.com). Those who are willing to join to editorial board, for questions or comments about JWPR please feel free to contact us.

Considered subject areas include:

- Husbandry and management; construction, environment and welfare; exotic and wild birds; Biochemistry and cellular biology; Immunology; Microbiology and genetics;
- Nutrition and feeding; physiology, genetics, reproduction and hatching; technology, processing and food safety.

The manuscript and other correspondence should be sent preferentially by e-mail: editor [at] jwpr.science-line.com or editorjwpr [at] gmail.com.

**Reasons to publish with JWPR:**

1. Easy submission and Fast evaluation process
2. Expert review from JWPR’s team of editors, who strive to give authors fair decisions and advice
3. The highest standards followed to improve your accepted manuscript
4. No reviewing charges for editorial members

**Regards**

**Editorial team of JWPR**
